Investments

Company	Value of investment
---------	---------------------

Barclays	£876,148
----------	----------

Barclays is a British multinational bank and financial services company. According to [research](#) released by PSC, War on Want and Campaign Against Arms Trade, it holds over £1bn in shares in, and provides financial services to, nine companies supplying Israel with weapons and military technology, used in its militarised violence against Palestinians.

Booking.com	£140,319
-------------	----------

Booking.com is a travel metasearch engine for lodging reservations. It is owned and operated by and is the primary revenue source of United States-based Booking Holdings and is headquartered in Amsterdam. It [lists accommodation](#) located in illegal Israeli settlements on stolen Palestinian land.

It was included in the UN OHCHR's list of businesses active in illegal Israeli settlements based on stolen Palestinian land.

Siemens	£100,602
---------	----------

According to research group Corporate Occupation "Traffic control systems of the company are installed by its Israeli representative, Orad Group, on apartheid roads (roads on which only Israelis are allowed to travel)."

Company

In addition Siemens Israel is participating in the electrification of the [Tel-Aviv Jerusalem high-speed train \(A1\)](#), which is currently under construction. The A1 train route crosses the Green Line into the occupied Palestinian West Bank in two areas.

Value of investment

The BDS movement has [called for a boycott](#) of Siemens for its role constructing the EuroAsia Interconnector, a submarine electricity cable from Israel via Cyprus to Greece, that will connect apartheid Israel's electricity grid with that of the EU and enable it to export electricity produced from fossil gas to Europe,
