Company

Nature of link/relationship

BAE Systems

BAE Systems is a large British arms producer. As reported by [Investigate](#), it manufacturer weapons and military technology used by Israel in its militarised attacks on Palestinians.

BAE Systems is extensively involved as a research partner at Liverpool. A detailed report with more information, written in 2015 by members of Liverpool Friends of Palestine, can be found here: <http://www.labournet.net/other/1510/livarmsall.pdf>
